

Back-side
faces traffic
leaving town.

Background color is variable.
Shown here is **COPPER**.
Other colors that would show off
SILVER CITY lettering would be
BLUE or **PURPLE** or a rich **BROWN**.

"SILVER CITY" in Silver Letters -
Cast metal - with silver finish

Planter-style base, constructed of rock,
adobe, or stucco over frame or strawbale.

Signature lettering
helps define the way
Silver City writes its name

Planter base could also include wildflowers
and solar-powered uprights.
