

LEGAL NOTICE

The Town of Silver City was recently awarded a Brownfields Cleanup Grant from the Environmental Protection Agency. As part of the grant requirements, an Analysis of Brownfields Cleanup Alternatives (ABCA) must be prepared and presented for public input. The grant will cover cleanup of lead, asbestos and bat guano in the building, as well as stabilization of the collapsing pump room floor. Alternatives vary from “no action” to total removal of hazardous materials.

The ABCA can be viewed at the Town’s website, www.townofsilvercity.org, or at the Town Assistant Engineer’s office on the first floor of the Town Annex, 1203 N. Hudson. Written comments can be submitted through the website, or to the Assistant Engineer at the Town of Silver City, P.O. Box 1188, Silver City, NM 88062.

A presentation on the Waterworks, the EPA grant and the ABCA will be given during the regular Town Council meeting on March 25, 2014 at 6:00 p.m. at the Grant County Administration Center, 1400 Hwy. 180 East, Silver City, NM, with opportunity for public comment. If you require a reader, amplifier, qualified sign language interpreter, or any other form of auxiliary aid device to attend or participate in the meeting, please contact the Town Clerk at 534-6346 at least one week prior to the meeting.

For more information, please contact the Assistant Engineer Charles Melaney at 534-6368.
