Town Hall Annex/Washington Federal building, 1203 N. Hudson St., Silver City, NM

The public is invited to come have a conversation with Councilor Lynda Aiman-Smith about Notice of Intent Ordinance No. 1272 regarding restrictions on urban beekeeping in Silver City. If you are a bee fan, or bee fearful; if you love bees, or have concerns about how urban beekeeping can be safe, please come and talk. This is the best time to make your voice count, while the NOI is in draft form and open for revision. A quorum of the Council may be present, but they will not be conducting business or making any decisions.
