A. Staff reports. Manager Brown introduced Raul Turrieta to talk about the scheduled events for Territorial Charter Day. Mr. Stailey reported on the recent trail work at Boston Hill and stated they partnered with the Town’s Trails and Open Space Advisory Committee to do a big section to reroute one of the trails that had rutted out and eroded. He said about 25 volunteers brought their own picks and shovels and it cost the Town only \$50 for water, etc. He said it was so

successful that the volunteers wanted to do it again and that Councilor Ray's plan for a Charter Volunteer Day in March would be another opportunity to get more work done at Boston Hill. He said Boston Hill was a golden nugget for the Town and whoever had the foresight to purchase that property should be commended.

11. NEW BUSINESS –

Manager Brown said the resolution was to approve two additional grants they received this fiscal year; that one grant was for the Fire Department for the breathing apparatus and the other was for the project on Ridge Road. He said it also increased funding for the HIDTA (High Intensity Drug Trafficking Area) drug enforcement grant and the CDBG (Community Development Block Grant) project to increase the amount of matching funds. He said the actual budget of Town funds that would increase in expenditures was \$27,000, and the rest was all grant funds added to the budget. Mayor Ladner asked for a motion. Councilor Aiman-Smith moved to approve Resolution No. 2019-03: A Resolution amending the approved and adopted budget for the fiscal year commencing July 1, 2018 through June 30, 2019 and for municipal purpose in the Town of Silver City, NM, transferring and appropriating funds thereof. Manager Brown said the resolution was required to be submitted with the quarterly report and it authorized temporary transfers. He said the main transfers were for the Ridge Road project and the College Street project. He said they were waiting for reimbursements and once they submitted the quarterly report they would transfer the money back to the General Fund. He said it was done so there would be no negative balances, but they would have negative balances because all the grants were on a reimbursement basis. He said it was something they had to do, but he did not like doing it. There was further discussion. Councilor Aiman-Smith said she had about four suggested projects and would require some coordination with Western New Mexico University, so she would call on Manager Brown. She said she looked forward to hearing Mr. Stailey's ideas. Mayor Ladner said another important team member was Assistant Town Manager Marshall. He asked the Councilors to provide their project date to Manager Brown, so they could develop a calendar.

D. Appointment of one member to the Lodgers Tax Advisory Board. Mayor Ladner said two applications were received, but only one of them met the qualifications. He said the application from Michelle Munoz was qualified and recommended by the Chair. He said if there were no objections he would like to reappoint her.
