

## VERY IMPORTANT PUBLIC NOTICE

**TO: TOWN OF SILVER CITY RESIDENTS**

**FROM: THE TOWN OF SILVER CITY**

**DATE: JUNE 1, 2023**

**RE: GREEN RECYCLABLE BINS WILL BE DISCONTINUED AS OF AUGUST 1, 2023**

**Please be advised that all green recycle bins will be discontinued as of August 1, 2023, for the following reasons:**

- 1. The Recycling Program for the Town of Silver City has been terminated since there is no longer a third-party recycling market for recyclable materials.**
- 2. The green recyclable bins have not been used for recyclable materials for the past few years, but still have been picked up and deposited at the Landfill without a fee. This is not feasible for the Town of Silver City.**
- 3. Residents that have been utilizing the green recyclable bins for regular trash please contact the Town's waste service provider, Universal Waste at (1-505-377-8833) before August 1, 2023, to obtain the regular blue trash bins. Green bins will be picked up last week in June.**
- 4. If you have any questions regarding the green recyclable bins, please contact Alfred Sedillo, the Town Clerk at (575-534-6346).**
- 5. THANK YOU FOR YOUR COOPERATION!**
